## TRUSTEES' REPORT

### FOR THE YEAR ENDED 31 AUGUST 2024

---

The Trustees present their annual report together with the accounts and auditor's report of the charitable company for the year 1 September 2023 to 31 August 2024. The annual report serves the purposes of both a trustees' report, and a directors' report and strategic report under company law.

#### **Structure, governance and management**

##### Constitution

The Academy Trust (incorporated on 25 April 2012 and opened as an Academy on 1 May 2012) is a company limited by guarantee and an exempt charity. The charitable company's Memorandum and Articles of Association are the primary governing documents of the Academy Trust.

The Trustees of Holy Trinity Church of England Academy are also the directors of the charitable company for the purposes of company law. Details of the Trustees who served during the year are included in the Reference and Administrative Details on page 1.

##### Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

##### Trustees' indemnities

The Academy Trust has opted into the Department for Education's Risk Protection Arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy Trust business, and provides cover up to £10,000,000.

##### Method of recruitment and appointment or election of Trustees

On 25 April 2012 (the incorporation date) The Trustees appointed those governors that served the predecessor school, and whose term still had time to run, to be Trustees of the newly formed Academy. These Trustees were appointed on a term of office that would end when their original term at the predecessor school would have ended, thus ensuring a staggered re-election or replacement process. Trustees are appointed for a four year period, except that this time limit does not apply to the Head Teacher or parish incumbent, who are appointed ex-officio. Subject to remaining eligible to be a particular type of Trustee, any Trustee can be re-appointed or re-elected.

The Academy Trust shall have the following Trustees as set out in its articles of association and funding agreement:

- not less than 9 Foundation Trustees, appointed under Article 50, who must form the majority of Trustees at any one time.
- 2 Parent Trustees appointed under Articles 53-58
- up to 2 Staff Trustees, if appointed under and subject to Article 50A
- the Head Teacher who shall be treated for all purposes as being an ex officio Trustee.
- any additional Trustees if appointed under Articles 62, 62A or 68A
- any further Trustees, if appointed under Article 63 or Article 68A
- the Academy may also have up to two co-opted Trustees under article 59.

As at 31 August 2024 the Trustees comprise 2 Parent Trustees, 2 Staff Trustees, the Head Teacher, 7 other Foundation Trustees and 2 co-opted Trustees. The incumbent of the Marden Vale benefice retired in the Summer 2022. The new appointee has decided not to become a trustee. The school is in discussions with the Calne PCC to provide another trustee to sit on the governing body. Salisbury Diocesan Board of Education has been involved in this consultation.

When appointing new Trustees, the Board will give consideration to the skills and experience mix of existing Trustees in order to ensure that the Board has the necessary skills to contribute fully to the Academy's development.

### Policies and procedures adopted for the induction and training of Trustees

The training and induction provided for new Trustees will depend upon their existing experience but would always include a tour of the Academy and a chance to meet staff and pupils. All Trustees are provided with policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as Trustees. As there are normally only two or three new Trustees a year, induction tends to be done informally and is tailored specifically to the individual. Advantage is taken of specific courses offered by the Salisbury Diocese and other bodies. The academy has gold level membership of the National Governors Association and uses its induction materials. Training on key issues is also arranged for the whole governing body.

### Principal Activity

The principal activity is to advance for the public benefit by establishing, maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum.

The principal activity of the Academy is to provide free education for pupils of different abilities between the ages of 4 and 11.

### Organisational structure

The Board establishes an overall framework for the governance of the Academy and determines membership, terms of reference and procedures of committees and other groups. It receives reports including policies, from its committees for ratification. It monitors the activities of the committees through the minutes of their meetings. The Board may from time to time establish Working Groups to perform specific tasks over a limited timescale.

The following decisions are reserved to the Board of Trustees; to determine any proposals for changes to the status or constitution of the Academy and its committee structure, to appoint or remove the Chairman and/or Vice Chairman, to appoint the Head Teacher and Clerk to the Trustees, to approve the annual budget.

The Board of Trustees have devolved responsibility for the day to day management of the Academy to the Head Teacher and School Leadership Team (SLT). For the academic year 2023-24 SLT comprised of the Head Teacher, Deputy Head Teacher and the Special Educational Needs Coordinator. The SLT implement the policies laid down by the Trustees and report back to them on performance

The Academy has a leadership structure which consists of the Trustees, the Head Teacher and the School Leadership Team. The aim of the leadership structure is to devolve responsibility and encourage involvement in decision making at all levels.

The Trustees are responsible for setting general policy, adopting an annual plan and budget, approving the statutory accounts, monitoring the Academy by the use of budgets and other data, and making major decisions about the direction of the Academy, capital expenditure and staff appointments.

The Head Teacher is responsible for the authorisation of spending within agreed budgets; a summary of this is in the Scheme of Delegation. Some spending control is devolved to senior staff which must be authorised through the Head Teacher. The Head Teacher is responsible for the appointment of staff, though appointment panels for teaching posts always include a Trustee – preferably a Trustee from the staffing committee.

As well as the statutory committees which are called when necessary, there are three committees as follows:

- the Premises and Finance Committee - meets at least three times a year and is responsible for matters pertaining to the premises and for approving contracts whose value is over £2,000 (£2,500 for renewal of existing contracts). The finance aspect of this committee is responsible for monitoring, evaluating and reviewing policy and performance in relation to financial management, compliance with reporting and regulatory requirements, receiving reports from the internal auditor and drafting the annual budget.
- the Curriculum and Pupil Welfare Committee - this meets at least three times a year to monitor, evaluate and review academy policy, practice and performance in relation to curriculum planning, communications, target setting and assessment, examinations and all pastoral issues.
- the Staffing Committee – this meets whenever necessary and is responsible for all matters relating to staffing. It is responsible for alterations to the academy's staffing levels and a member of the staffing committee is on appointment panels for teachers. The Head Teacher's pay panel is composed of staffing committee members.

The Head Teacher is the Accounting Officer.

#### Arrangements for setting pay and remuneration of key management personnel

The Leadership comprises of a Headteacher (pay range L11-L21), a Deputy Headteacher (pay range L6-L10) and SENDco (UPS 2). The pay ranges for the Headteacher and Deputy Headteacher will be determined in accordance with the criteria specified in the Section 2, Part 2 – leadership group pay of the STPCD 2019. The arrangements for teacher appraisal are set out in the academy's appraisal policy.

The policy on linking progression pay to performance is detailed in the appraisal policy. The school uses absolute performance measures when determining pay progression. When teachers reach their performance management targets and their teaching is rated as consistently good over the course of the academic year a progression will be awarded if they are not top of their salary range. This is then reviewed annually by the staffing committee, after being recommended by the School's Management Team.

#### Related parties and other connected charities and organisations

Holy Trinity C of E Primary Academy has a Friends Association which carries out fundraising events. They do not either control or significantly influence decisions and operations of the Academy. The academy has strong collaborative links with four other independent academies in Wiltshire: Holy Trinity CE Primary Academy, Great Cheverell, near Devizes, By Brook Valley CE Primary School and Woodford Valley CE Academy near Salisbury and Malmesbury CE Primary School. Again, none of these academies controls or significantly influences decisions and operations of Holy Trinity Academy.

The academy works closely with the local secondary academy, The Kingsbury Green Academy. Our older children pay frequent visits for activity days and some more able children have extension lessons there.

### **Objectives and activities**

#### Objects and aims

The principal object and activity of the charitable company is the operation of Holy Trinity C of E Primary Academy to provide free education and care for pupils of different abilities between the ages of 4 and 11.

#### Our vision

Our theologically rooted Christian vision comes from Mark 10:14  
'Let the children come to me' and drives all that we do at Holy Trinity.

**'We want all our children to leave Holy Trinity with a strong moral compass, God-given Christian values and a love of learning'.**

#### Our Mission Statement

**Nurturing** – we feel safe, valued and able to take risks

**Inspiring** – we all explore learning in fun and exciting ways

**Achieving** – we celebrate our successes and look forward to new challenges.

#### Our Ethos Statement

**We are all special and we all matter**

**Jesus helps us make the right choices**

**God looks after us and we look after each other**

The aims of the Academy during the period ended 31 August 2024 are summarised below:

- to continue to raise the standard of educational attainment and achievement of all pupils,
- to provide a broad and balanced curriculum, including extra-curricular activities,
- to continue to develop the children as life-long learners,
- to ensure that every child enjoys the same high-quality education in terms of resourcing, tuition and care,
- to improve the effectiveness of the Academy by keeping the curriculum and organisational structure under continual review,
- to provide value for money for the funds expended,
- to comply with all appropriate statutory and curriculum requirements,
- to conduct the Academy's business in accordance with the highest standards of integrity, probity and openness.

At Holy Trinity C of E Academy we aim to get the best for, and from, each child. We intend to enable each child to realise his or her full academic, creative, spiritual and physical potential and to develop positive social and moral values in line with the Christian foundation and ethos of the Academy. Our Academy is a community in which children, staff and parents should feel part of a happy and caring environment.

## TRUSTEES' REPORT (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2024

---

#### Objectives, strategies and activities

Key priorities for the period are contained in our School Improvement Plan (SIP) which is available from the School Office. This document is updated regularly at governor committee meetings.

Targets achieved for the period of this report included:

#### Building

- Regular repairs continue to be carried out on an ageing building. These have included repairing and replenishing the roof on the gabled end of the school.
- New boiler replacement (plant room)
- Carpets have been replaced.

#### Staffing Changes

- The governing body decided and agreed to alter the management structure of the school following the departure of a long-serving Assistant Headteacher in July 2023. Holy Trinity will return to the management structure it established for many years of a Headteacher and a Deputy Headteacher. A Deputy Headteacher was appointed for the 2023-24 academic year.
- Another teacher, who started at the school as a Newly Qualified teacher moved to a special school following four years at Holy Trinity.
- The academy recruited three new members of staff, this included a permanent Early Years teacher, a Y6 teacher and a part-time Y4 teacher.
- The School Business Manager left her role in January 2024. This necessitated a review of the Office. A new Academy Finance Manager was recruited and an Office and Facilities Manager was also recruited. Both appointments were internal and the academy benefits from having two post holders, who have a very good knowledge and understanding of the academy.
- During the 2022/23 academic year, the academy engaged a Parent Support Adviser from the RISE Trust for the equivalent of one day a week. It was then agreed that the academy needed an upgraded role, as a one day a week was not coping with increased demand. To this end, a Family Support Lead was appointed in November 2023 to address the growing need to support our families and address the knock-on effect to the children in our care.

#### Curriculum

- The maintenance of good levels of progress and attainment as measured by the Foundation stage profile, Year 1 phonics test and Year 2
- The Year 6 results were not as high as previous cohorts. This was due in large part to the adverse conditions created by the Covid Pandemic and a high proportion of children with significant additional needs.
- Training staff and teaching assistants in a range of skills to support children's social, emotional and mental health needs. This included Bereavement Training for all staff.
- Further establishing a school system of having three deputy designated safeguarding leads (in addition to a Designated Safeguarding Lead) to support our robust safeguarding procedures.
- Monitoring and improving staff wellbeing.
- These objectives are in addition to the improvement of levels of attainment across the core subjects.

#### The following targets comprise the school's Improvement Plan:

- To further embed the school's theologically rooted Christian vision to enable all pupils and adults to flourish
- To continue to embed and refine the whole school approach to reading, so that children can read fluently at the end of KS1 and develop a love of reading across the school.
- To continue to close gaps in learning following the Covid-19 pandemic, support disadvantaged learners and offer greater support to parents.
- To create an ambitious curriculum that best fits our children's needs.

### Public benefit

The Trustees confirm that they have complied with their duty in Section 4 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit in exercising their powers or duties. They have referred to this guidance when reviewing the Academy's aims and objectives and in planning its future activities.

The Academy aims to advance for the public benefit, education in the Academy's designated area and the surrounding areas. In particular, but without prejudice to, the generality of the forgoing by maintaining, managing and developing the Academy, and offering a broad and balanced curriculum.

As a Church school Single Academy Trust, we have a moral imperative to support and collaborate with other schools. Partnerships with the local cluster and with a small group of like-minded Church Single Academy Trusts have proved of mutual benefit. The Academy continues to enjoy strong links with the Salisbury Diocesan Board of Education. The Headteacher is a member of the Primary Heads Forum Executive Committee and Wiltshire Council's Schools Forum. The Headteacher served as the Vice-Chair of Schools Forum during the 2023-24 academic year.

### **Strategic report**

#### **Achievements and performance**

In its twelfth year of operation the academy has met the forecast numbers of students. The total number of students in the period ended 31 August 2024 was 210 and this has held steady between 204 and 212 throughout the life of the academy. The reception class intake for September 2023 was 28, despite low birth rates in Calne and Wiltshire.

Achievement in the Foundation Stage (67%) based on GLOD (good level of development) was above the national average (69%) and Wiltshire LA average (68%). This was broadly in line with national and local averages.

Achievement in the Year One Phonics Screening was above the national average (80%) – 90%.

Although Key Stage One results are not statutory or collated by the Department for Education. The academy finds these results as an invaluable indicator of future progress and attainment. In Key Stage One, Reading was 79%, Writing 79% and Mathematics 79%. The combined measure for reading, writing and mathematics was 75%. These measures were above the national averages and Wiltshire LA averages in 2023. There was no data supplied for 2024.

In Key Stage Two, the combined measure for Reading, Writing and Mathematics was 37%. Reading (53%), Writing (43%) and Mathematics (50%). These results were lower than national and local averages. This cohort was greatly affected by the Covid pandemic and the results remain an outlier in the school's results over the last ten years.

### Key performance indicators

The main financial performance indicator is the level of reserves held at the Balance Sheet date. In particular the management of spending against General Annual Grant (GAG) requires special attention to ensure that the funds allocated to the academy are being spent on the education of the children currently in the Academy. In period under review no amounts were carried forward from the GAG funds received.

As funding is based on pupil numbers this is also a key performance indicator. Pupil numbers for 2023/24 were 210 (October 2023 census), which is in line with our projected figure of 210 pupils. It is hoped that the academy will continue to operate near to full capacity due to its local reputation and popularity. Although the academy recognises the low birth rate in Calne and Wiltshire. The Governing Body agreed to raise the limit to thirty-one children in KS2 in 2021.

# HOLY TRINITY CHURCH OF ENGLAND ACADEMY

## TRUSTEES' REPORT (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2024

---

Christian values and the Christian ethos sit at the heart of all that we do at this academy. 'Let the children come to Me' – Mark 10:14 theologically underpins the academy's strong Christian vision. Strong relationships and pastoral support underpin the school's academic achievement. As a result, behaviour is very good and children tell us that they enjoy school. Parental satisfaction with the academy is high; this can be evidenced through their day-to-day partnership with the school. Following the Ofsted Inspection in November 2021, 94% of respondents would recommend Holy Trinity to another parent.

The curriculum is fun and engaging, making full use of the opportunities afforded by the locality with useful cross curricular links being drawn through many subjects. This allows children to use new learning in appropriate contexts. A wide range of trips and visitors to the school enhance the curriculum and bring learning to life. This contributes to outstanding learning opportunities and results in the outstanding outcomes.

Extra-curricular activities and clubs are available, including various sports clubs, netball, and choir. Enrichment opportunities in the guise of school visits help to enable all children to flourish at the academy. These include residential visits to Oxenwood and the Beacon Centre. Day visits to the Reme Museum, Harry Potter Studios, SS Great Britain and Chedworth Roman Villa give the children a set of rich experiences that enables them to grow.

Whole classes are taught drumming by a specialist teacher for a lesson a week. Specialist sports coaches teach many of the academy's PE lessons. All children in Key Stage 2 go swimming, where the academy employs specialist coaches in a 1:10 ratio. Seven years ago, this was extended to the Year 2 children in the Summer term.

#### Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason the Board of Trustees continue to adopt the going concern basis in preparing the accounts. Further details regarding the adoption of the going concern basis can be found in the statement of accounting policies.

#### **Financial review**

Most of the Academy's income is obtained from the DfE via the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the DfE during the period ended 31 August 2024 and the associated expenditure are shown as restricted funds in the statement of financial activities.

The Academy also receives grants for fixed assets from the DfE which are shown in the Statement of financial activities as restricted income in the fixed asset fund. The restricted fixed asset fund balance is reduced by annual depreciation charges over the useful life of the assets concerned as defined in the Academy's accounting policies.

During the period ended 31 August 2024, total expenditure (excluding depreciation) of £1,209,528 was covered by recurrent grant funding from the DfE together with other incoming resources and brought forward reserves. The surplus of expenditure over income for the period (excluding restricted fixed asset funds, depreciation and pension scheme movements) was £258.

At 31 August 2024 the net book value of fixed assets was £1,640,568 and movements in tangible fixed assets are shown in Note 12 to the financial statements. The assets were used exclusively for providing education and the associated support services to the pupils of the Academy.

The land, building and other assets were transferred to the Academy upon conversion. Other assets have been included in the financial statements at a best estimate taking into account purchase price and remaining useful lives.

The Academy had taken on the deficit in the Local Government Pension Scheme in respect of its non-teaching staff transferred on conversion. As a result of significant increase in the net discount rate as at the balance sheet date this turned into a surplus of £151,000 (2023 £111,000) which has not been recognised in the financial statements. The gain is incorporated within the Statement of Financial Activity with details in Note 18 to the financial statements.

The academy buys in a financial controls assurance service from South Gloucestershire Council to conduct internal audits. The outcomes of these audits are reported to the governing body through the finance committee. This service started in 2022/23 following Wiltshire Local Authority's decision to cease offering this service to academies and consultation with the school's governing body.

# HOLY TRINITY CHURCH OF ENGLAND ACADEMY

## TRUSTEES' REPORT (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2024

---

#### Reserves policy

The trustees have determined that the appropriate level of cumulative reserves should be approximately 5% of the school's grant income. The reason for this is to provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies such as urgent maintenance.

It is the Trustees' objective to maintain a structure of prudent financial management. To this end we aim to carry forward a sufficient amount to allow for fluctuations in future funding or unexpected expenditure, whilst ensuring that current period funding is expended to maximise provision of education. Budget projections are made over 5 years, enabling the academy to anticipate funding difficulties and plan to deal with them.

#### Restricted Estates Maintenance Contingency Fund

The trustees have determined that an aspirational Restricted Estates Maintenance Contingency Fund of 3% be set up to safeguard any future expenditure of our aging school site.

At the end of the accounting period the Academy's level of free reserves (total funds less the amount held in fixed assets and ring-fenced restricted funds) was £51,803.

Capital reserves at 31 August 2024 (excluding the net book value of fixed assets) were £29,557.

#### Investment policy

All funds surplus to immediate requirements earn interest in the school's bank account. No other form of investment is authorised.

#### Principal risks and uncertainties

The Academy has agreed a Risk Management strategy, a Risk Register and a Risk Management Plan. These have been discussed by Trustees and include the financial risks to the Academy. The register and plan are constantly reviewed in light of any new information and formally reviewed annually.

The Trustees have assessed the major risks to which the Academy is exposed, in particular those relating to its finances, teaching, facilities and other operational areas. The Trustees have implemented a number of systems to assess and minimise those risks, including internal controls described elsewhere. Where significant financial risk still remains they have ensured they have adequate insurance cover.

Since the Academy has increased their PAN (Published admission number) in some KS2 year groups, risks to revenue funding from a falling roll are small.

The Trustees examine the financial health formally every term, reviewing performance against budgets and overall expenditure by means of regular update reports at all full Governor's and Finance Committee meetings. The Trustees also regularly review cash flow forecasts and ensure sufficient funds are held to cover all known and anticipated commitments.

At the period end the Academy had no significant liabilities arising from trade creditors or debtors where there would be a significant effect on liquidity.

The Trustees recognise that the defined benefit scheme (Local Government Pension Scheme), which is set out in Note 18 to the financial statements, represents a significant potential liability. However as the Governors consider that the Academy is able to meet its known annual contribution commitments for the foreseeable future, this risk from this liability is minimised.

#### Risk management

The Academy undertakes a review of the main areas of risks which it faces annually. This includes all health and safety and child protection policies and procedures. In addition a review of all financial risks is undertaken on a regular basis and systems of internal control are checked and improved where possible.

A Risk Register is maintained and reviewed annually.

# HOLY TRINITY CHURCH OF ENGLAND ACADEMY

## TRUSTEES' REPORT (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2024

---

The principle risks and uncertainties facing the Academy are as follows:

- Financial - the Academy has considerable reliance on continued government funding through the EFA. In the last period 96% of the Academy's incoming resources was ultimately government funded and whilst this level is expected to continue, there is no assurance that government policy or practice will remain the same or that public funding will continue at the same levels or on the same terms.
- Failures in Governance and/or Management - the risk in this area arises from potential failure to effectively manage the Academy's finances, internal controls, compliance with regulations and legislation, statutory returns, etc. The Trustees continue to review and ensure that appropriate measures are in place to mitigate these risks.
- Reputational - the continuing success of the Academy is dependant on continuing to attract pupils in sufficient numbers by maintaining the highest educational standards. To mitigate this risk Trustees ensure that student success and achievement are closely monitored and reviewed.
- Safeguarding and Child Protection - the Trustees continue to ensure that the highest standards are maintained in the areas of selection and monitoring of staff, the operation of child protection policies and procedures, health and safety and discipline.
- Staffing - the success of the Academy is reliant on the quality of its staff and so the Trustees monitor and review policies and procedures to ensure continued development and training of staff as well as ensuring there is clear succession planning.
- Fraud and mis-management of funds - The Academy has appointed an internal auditor to carry out checks on financial systems and records as required by the Academy Financial Handbook. All finance staff receive training to keep them up to date with financial practice requirements and develop their skills in this area.

#### **Fundraising**

Holy Trinity Church of England Academy raises money through the Friends Committee. This committee comprises of members of the parent body. The school does not use professional fundraisers and is careful when approaching the vulnerable. The fundraising conforms to recognised standards and uses the guidelines from the Institute of fundraising.

The Institute of Fundraising has guidelines about how charities should work with schools. Here's a summary:

- Presentations given by charities should be educational and not allied to any political party.
- Charities may offer gifts as prizes to encourage young people, but they should be available to all, not to individuals as rewards for effort.
- Charities shouldn't harass young people to collect sponsorship money. A time limit should be fixed, and someone from the charity should collect funds on an agreed day.
- Young people shouldn't ask strangers for sponsorship, but seek donations from family and friends.
- Charities should thank all of the staff, young people and parents involved, and respond to any criticisms as soon as possible.

The school agrees the aims of fundraising with the Friends Committee at the beginning of each academic year. This is made through consultation between the Chair of the Friends Committee and the Headteacher.

Any complaints connected with fundraising will be discussed by the Headteacher and the Chair of the Friends Committee.

### **Plans for future periods**

The Academy will continue to strive to provide outstanding education and improve the levels of performance of its pupils at all levels. The Academy will continue to aim to attract high quality teachers and support staff in order to deliver its objectives.

The Academy will continue to work with partner schools across the local cluster and diocese to improve the educational opportunities for students in the wider community.

Full details of our plans for the future are given in our School Improvement and Development Plan, which is available as detailed above.

### **Funds held as custodian trustee on behalf of others**

The Academy and its Trustees do not act as the custodian trustees of any other charity.

### **Auditor**

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

A resolution proposing that David Owen & Co be reappointed as auditor of the charitable company will be put to the members.

The Trustees' report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 05 December 2024 and signed on its behalf by:

## GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2024

---

### Scope of responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Holy Trinity Church Of England Academy has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Head Teacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Holy Trinity Church Of England Academy and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

### Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 6 times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

### Conflicts of interest

Register of Interest has been updated throughout the year and it is controlled by the Clerk to Governors. It is checked within our internal reviews process, and we are happy that the update of format into the next academic year will be a beneficial one for Holy Trinity. Each meeting each staff member is asked to declare anything that that is a conflict at the beginning of each meeting.

#### Governance reviews

The Curriculum committee has reviewed its terms of reference during this academic year to ensure it has a more strategic oversight, particularly in light of the DfE's focus on improving school attendance.

A self-assessment was carried out using the NGA 20 questions and the findings discussed in June 2024. A document was then created on the school sharepoint for each of the trustees to put in their RAG rating for each of the questions. This showed that we need to further embed following aspects of our governance:

1. Our induction process for new trustees. 2. To look further ahead for strategic planning than the SIP. 3. We need to further develop our board evaluation. The FGB met to design a strategy to meet these objectives, which will provide our focus for 2024-25. We will run the NGA self-evaluation again in the 2024/2025 academic year. As three trustees left at the end of the 2023/2024 academic year and four new trustees have started in 2024/2025 this will help to gain insights from the new trustees.

The Chair did attend another school's FGB and this was reciprocated. Findings were fed back to our FGB. Anticipated governing body changes in 2024-25 will necessitate careful transition and induction processes provided in part by the National Governors Association. New foundation governors will enrol on Foundation Governor induction training during the next academic year (2024-25).

#### New trustees.

After the new trustees have settled in, we can focus on our strategic vision.

The Finance Committee is a sub-committee of the main Board of Trustees. Its purpose is to monitor the income and expenditure prior to the full Board of Trustees' meeting.

Attendance at meetings in the year was as follows:

Trustees	Meetings attended	Out of possible
Mr S J Colby (Chair)	3	4
Mr D Conway	2	4
Mr G Shore (Head Teacher)	4	4
Mrs R Caldecott (Staff Trustee)	4	4
Mr T Robins	0	4

### Review of value for money

As accounting officer the Head teacher has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The primary areas where the trust has achieved value for money are as follows:

**Educational outcomes have continued to be good. Due to the challenges in Year 6, school leaders redeployed staff and reviewed the location of the Y6 cohort due to the unsuitability of the mobile classroom for educating children with more complex needs.**

Please see the Performance tab on the school's website - <https://www.holytrinitycalne.co.uk/school-performance>

### Buildings and premises

The school continues to spend money on maintaining the integrity of the ageing school buildings.

### Contracts

The school has benefited from renegotiated contracts and/or changed suppliers to ensure better value for money in the following areas: telephones, waste disposal, educational resources, photocopiers, Capita support. Some of these changes were made in the previous financial year but the benefits have been realised in this period.

Andrew Whittock has a rolling contract as our ICT technician and has again supported Holy Trinity through a heavy investment in developing the ICT infrastructure. The school has entered into a Grounds Maintenance Contract with Josh Sheppard, a local used provider from October 2023, having Countrywide previously.

The school have secured the services of Mitchell Digital Media to undertake the school's social media management from October 2023, following consultation with the governing body. This includes training for children, staff and parents, in addition to updating and managing the school's website.

### **Staff training and deployment**

The academy has undergone a small number of staffing changes over the last few years, but has been able to recruit good teachers, due to the school's reputation. We have recently appointed a newly qualified teacher, following the appointment of a non-class-based Deputy Headteacher.

Interventions are targeted towards children who have learning difficulties, are disadvantaged or whose attainment is lower than expected. Some of this work is one-to-one and some is in small groups. This spending is fully itemised and evaluated in the school's provision map, which shows good progress by these children from their starting points. The academy also publishes a separate evaluation of pupil premium spending which shows these children progressing in line with others in the school, i.e. very well. This evaluation is available on the school website (<http://holytrinitycalne.co.uk/>). We have trained a member of staff in ELSA to help with the mental health of the children across the school.

The school also received a sport premium grant of approximately £18,000. This grant is separately evaluated and a report is published on the school website. The grant was used primarily to employ specialist teachers who delivered high quality teaching for children and professional development for staff.

The school employs a speech therapist directly from the Swindon NHS trust at a cost of £6,700. This brings instant access to very high-quality speech therapy, something which is unavailable through other channels. Children receive the very best input at the earliest stage, maximising the effect of the therapy. The speech therapist also trains staff and meets with parents to provide advice.

The main school improvement foci come from our most recent Ofsted Inspection in November 2021. We are continuing to develop the role of the subject leader, enriching our provision for more able learners as well as those that are on the cusp moving up in curriculum. We are continuing to develop and refine our curriculum offer.

Holy Trinity has 204 children on roll. We continue to be a highly popular academy and although we have spaces we are mindful of the impact that the low birth rate is having on all schools.

### **Governor Training**

The Chair of Governors continues to go on training updates to fully complement his role as Chair, such as safeguarding, attendance and finance.

The school has subscribed to the Confederation of School Trusts (CST) and greatly benefit from regular updates to ensure compliance as a single academy trust. The school subscription to the National Governors Association has enabled governors to access a suite of relevant training.

### **Collaboration**

The school has significant collaborations with:

- Four primary academies for sharing good practice and developing succession planning as a small group of Single Academy Trusts (meetings during the year and frequent email contact). This creates opportunities for free staff development.
- The Headteacher has been the Vice-Chair of Schools Forum for Wiltshire Council for the past three years
- The Headteacher is a member of Wiltshire's Primary Heads Executive and Chairs the Finance Committee
- The Headteacher sits on the Wiltshire Learning Alliance and has completed Headteacher Mentoring training with the local authority
- The Headteacher attends Round Table Events staged by the Regional Schools' Commissioner (South West)
- The Chair and Vice-Chair of Governors have joined a Governors' Forum with a small group of Church Single Academy Trusts
- The Academy Finance Manager has joined a School Business Managers' Forum and regularly accesses training with Wiltshire Local Authority.
- The Diocese of Salisbury Board of Education.
- The Calne Cluster Heads are working together to create a system of collaborative support based on local and individual school needs (including the new GDPR legislation).
- The Moonraker Hub has been established to develop school improvement over seven schools in Calne and Devizes. The headteacher is the liaison between this group and the Local Authority.

#### **New initiatives -**

- Holy Trinity has continued to develop its curriculum provision following the Ofsted visit in November 2022.
- Addressing staff wellbeing
- Attendance continues to be good. Significant action has been taken to improve attendance.
- A Family Support Lead has been employed to support and liaise with our families

#### **Opportunities to achieve better value for money in the future**

Everyone associated with the academy continually strives to maximise the public benefit from the funds which we receive. In the current year we have again faced considerable tightening of finances due to a below-costs increase in the school budget and increasing staffing costs allied to the cost of living rises that have affected our suppliers.

Our first aim is to maintain the quality of provision that we have established, using fewer resources. In order to achieve this we will continue to:

- Review the school's ten-year financial plan through the Finance Committee
- examine and review all contracts and ensure best value during renegotiations.
- budget over a five-year period in order to anticipate and plan for difficult decisions
- invest wisely in the buildings, including bidding for additional revenue streams, in order to cut long term running and maintenance costs.

Our SENDCO attended training and became the academy's Senior Mental Health Lead, who in tandem with a fully-trained ELSA has been able to support children and remove any external obstacles to their learning. This contributed to the effectiveness of the education for our most vulnerable children and will save the school money employing external expertise in these areas.

Through careful school development planning and investment in staff training we also aim to continually improve the quality of education at the school and the attainment and progress of its children. The school has a strong track record of achieving this and has clear plans for the future.

#### **The purpose of the system of internal control**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Holy Trinity Church Of England Academy for the period 1 September 2023 to 31 August 2024 and up to the date of approval of the annual report and accounts.

#### **Capacity to handle risk**

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the period 1 September 2023 to 31 August 2024 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the Board of Trustees.

#### **The risk and control framework**

The Academy Trust's system of internal control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the finance committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- identification and management of risks.

## GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

---

The Board of Trustees have appointed South Gloucestershire Council Internal Audit Services as internal auditor. The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy's financial systems. On a regular basis, the internal auditor reports to the Governing Body on the operation of the systems of control and on the discharge of the Governing Body's financial responsibilities.

The checks carried out in the current period included:-

- Purchasing
- HR
- Payroll
- Governance
- Risk
- Budget Management
- Business Continuity
- Data Security
- Premises

For the completed work, whilst recommendations have been made, all the risk areas have been assessed as 'Low' risk with a medium priority.

The internal auditor delivered their schedule of work as planned. No significant control issues were found. Some internal controls would benefit from improvement and these changes are planned to be implemented.

### Review of effectiveness

As accounting officer the Head teacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

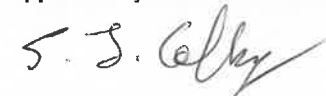

- the work of the internal auditor;
- the work of the external auditor;
- the financial management and governance self-assessment process;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the finance committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

### Conclusion

Based on the advice of the audit and risk committee and the accounting officer, the Board of Trustees is of the opinion that the Academy Trust has an adequate and effective framework for governance, risk management and control.

## STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE FOR THE YEAR ENDED 31 AUGUST 2024

---

As accounting officer of Holy Trinity Church of England Academy, I have considered my responsibility to notify the Academy Trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2023, including responsibilities for estates safety and management.

I confirm that I and the Academy Trust's Board of Trustees are able to identify any material irregular or improper use of funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academy Trust Handbook 2023.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

## STATEMENT OF TRUSTEES' RESPONSIBILITIES

### FOR THE YEAR ENDED 31 AUGUST 2024

---

The trustees (who are also the directors of Holy Trinity Church of England Academy for the purposes of company law) are responsible for preparing the Trustees' report and the accounts in accordance with the Academies Accounts Direction 2023 to 2024 published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare accounts for each financial year. Under company law, the Trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2023 to 2024;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HOLY TRINITY CHURCH OF ENGLAND ACADEMY

**FOR THE YEAR ENDED 31 AUGUST 2024**

---

### **Opinion**

We have audited the accounts of Holy Trinity Church of England Academy for the year ended 31 August 2024 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the accounts, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2023 to 2024 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2023 to 2024.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The other information comprises the information included in the annual report other than the accounts and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the accounts themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HOLY TRINITY CHURCH OF ENGLAND ACADEMY (CONTINUED)

**FOR THE YEAR ENDED 31 AUGUST 2024**

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the Trustees' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of Trustees**

As explained more fully in the statement of Trustees' responsibilities, the Trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error. In preparing the accounts, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the accounts**

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

### **Extent to which the audit was considered capable of detection irregularities, including fraud**

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and addressing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

# HOLY TRINITY CHURCH OF ENGLAND ACADEMY

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HOLY TRINITY CHURCH OF ENGLAND ACADEMY (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2024

---

- The engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities, and skills to identify or recognise non-compliance with applicable laws and regulations. The risk of fraud and non-compliance with laws and regulations and fraud was discussed within the audit team and tests were planned and performed to address these risks.
- We obtained an understanding of laws and regulations that affect the Academy Trust, focusing on those that had a direct effect on the financial statements or that had a fundamental effect on its operations. Key laws and regulations that we identified included the Charities Act, UK Companies Act, ESFA Academies Accounts Direction 2023 to 2024, Employment Act, and data protection legislation.
- We enquired of the trustees, reviewed correspondence and reviewed trustees meeting minutes for evidence of non-compliance with relevant laws and regulations. We also reviewed controls the trustees have in place to ensure compliance.
- We reviewed the report prepared by the independent Pension experts to ensure compliance with the legislation.
- We gained an understanding of the controls that the trustees have in place to prevent and detect fraud. We enquired of the trustees about any incidences of fraud that had taken place during the accounting period.
- We critically reviewed judgements and provisions included within the financial statements and examined the associated cut-off issues. Prior period forecasts were compared to actual results to ensure past judgements made were reasonable in comparison with eventual outcomes.
- We reviewed financial statements disclosures and tested to supporting documentation to assess compliance with relevant laws and regulations discussed above.
- We enquired of the trustees about actual and potential litigation and claims.
- We obtained independent confirmations from your bank regarding balances at the year end in addition to any outstanding charges.
- We performed analytical procedures to identify any unusual or unexpected relationships that might indicate risks of material misstatement due to fraud.
- In addressing the risk of fraud due to management override of internal controls we tested the appropriateness of journal entries and assessed whether the judgements made in making accounting estimates were indicative of a potential bias.

Due to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing fraud or non-compliance with laws and regulations and cannot be expected to detect all fraud and non-compliance with laws and regulations.

## INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO HOLY TRINITY CHURCH OF ENGLAND ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY

**FOR THE YEAR ENDED 31 AUGUST 2024**

---

In accordance with the terms of our engagement letter dated 6 December 2023 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2023 to 2024, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Holy Trinity Church of England Academy during the period 1 September 2023 to 31 August 2024 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Holy Trinity Church of England Academy and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Holy Trinity Church of England Academy and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Holy Trinity Church of England Academy and ESFA, for our work, for this report, or for the conclusion we have formed.

### **Respective responsibilities of Holy Trinity Church of England Academy's accounting officer and the reporting accountant**

The accounting officer is responsible, under the requirements of Holy Trinity Church of England Academy's funding agreement with the Secretary of State for Education dated 1 May 2012 and the Academy Trust Handbook, extant from 1 September 2023, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2023 to 2024. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2023 to 31 August 2024 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

### **Approach**

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw our conclusion includes:

- A review of the internal controls, policies and procedures that have been implemented and an assessment of their effectiveness.
- Detailed substantive testing of transactions and checking the financial controls were functioning as intended.
- Inspection of accounting records, meeting minutes, management representations and declarations of interest.
- A review of reports commissioned by the trustees of the effectiveness of financial controls, systems transactions and risks.

### **Conclusion**

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2023 to 31 August 2024 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 AUGUST 2024

---

#### 1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

##### 1.1 Basis of preparation

The accounts of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2023 to 2024 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

##### 1.2 Going concern

The Trustees assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

##### 1.3 Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

##### Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

##### Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

##### Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the Academy Trust has provided the goods or services.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2024

### 1 Accounting policies

(Continued)

#### Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the accounts until they are sold. This income is recognised within 'Income from other trading activities'.

#### Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy Trust's accounting policies.

### 1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Resources expended are exclusive of any recoverable VAT.

#### Expenditure on raising funds

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

#### Charitable activities

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

FOR THE YEAR ENDED 31 AUGUST 2024

### 1 Accounting policies

(Continued)

#### 1.5 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the statement of financial activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the Academy Trust's depreciation policy.

Part of the freehold land and buildings within these financial statements are owned by the current Vicar and Churchwardens of the Parish of Calne, The Academy Trust has the use thereof under a licence which is terminable by giving two years written notice. The academy Trustees, having taken appropriate advice, have decided to include the land and buildings as an asset in the financial statements in order to comply with guidance given in the "Academies Accounts Direction 2017 to 2018 (SORP 2015)" issued by the Education Funding Agency. This Direction highlights the requirement for financial statements to reflect the substance of a transaction and not merely the legal form thereof. The land and buildings are recognised as an asset on the basis that the academy trust has the ability to operate the academy from the property as a going concern without incurring an expense for the use of that property.

The Academy Trust owns the freehold of the other part of the school land and buildings not owned by the Vicar and Churchwardens of the Parish of Calne.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Freehold land and buildings	50 years straight line on buildings
Computer equipment	3 years straight line
Fixtures, fittings & equipment	4 years straight line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

#### 1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

#### 1.7 Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

#### 1.8 Financial instruments

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement basis are as follows.

##### Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

# HOLY TRINITY CHURCH OF ENGLAND ACADEMY

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2024

---

#### 1 Accounting policies

(Continued)

##### Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

#### 1.9 Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### 1.10 Pensions benefits

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the Academy Trust.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income or expenditure are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

#### 1.11 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Education Funding Agency where the asset acquired or created is held for a specific purpose.

If a capital funded project is treated as being revenue in nature for accounting purposes, a transfer will be made from restricted fixed asset funds to restricted general funds.

Restricted general funds comprise all other restricted funds received and include grants from the Education Funding Agency.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2024

#### 2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### Critical accounting estimates and assumptions

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 18, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2024. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

The estimated useful economic lives of tangible fixed assets are based on management's judgement and experience. The carrying values of tangible fixed assets are evaluated for impairment whenever circumstances indicate, in management's judgement, that the carrying value of such assets may not be recoverable.

##### Critical areas of judgement

The actuarial valuation for the year to 31 August 2024 showed a defined benefit plan asset of £151,000, this asset arose as a result of a significant increase in the net discount rate at the balance sheet date. In accordance with paragraph 28.22 of FRS102, this asset has not been recognised in the financial statements as the academy is considered unlikely to recover the surplus through reduced contributions or through refunds from the plan. The asset has therefore been reduced to nil at the balance sheet date.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2024

#### 10 Trustees' remuneration and expenses

The headteacher and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of headteacher and staff, and not in respect of their services as Trustees. Other Trustees did not receive any payments, other than expenses, from the Academy Trust in respect of their role as Trustees. During the year no travel and subsistence payments were reimbursed to Trustees.

The value of Trustees' remuneration was as follows:

##### G Shore (Headteacher)

Remuneration £70,000 - £75,000 (2023: £65,000 - £70,000)

Employer's pension contributions £15,000 - £20,000 (2023: £15,000 - £20,000)

##### J Rumley (Staff Trustee)

Remuneration £50,000 - £55,000 (2023: £45,000 - £50,000)

Employer's pension contributions £10,000 - £15,000 (2023: £10,000 - £15,000)

##### R Caldecott (Staff Trustee)

Employer's pension contributions £5,000 - £10,000 (2023: £0 - £5,000)

Other related party transactions involving the Trustees are set out within the related parties note.

#### 11 Trustees' and officers' insurance

The Academy Trust has opted into the Department for Education's Risk Protection Arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy Trust business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme.

The General Annual Grant, other DfE/EFA and other government grants are amounts received from the Education Funding Agency or the local authority to be spent by the Academy Trust on the normal running costs of the Academy.

Other restricted funds include contributions received from parents for specific purposes.

Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2024.

In the year there has been a transfer from capital grant funds to general funds to cover repair works undertaken.

### 18 Pension and similar obligations

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Wiltshire Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2020, and that of the LGPS related to the period ended 31 March 2022.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

#### Teachers' Pension Scheme

##### Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academy trusts. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

##### Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to ensure scheme costs are recognised and managed appropriately and the review specifies the level of future contributions.

Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2020. The valuation report was published by the Department for Education on 27 October 2023, with the SCAPE rate, set by HMT, applying a notional investment return based on 1.7% above the rate of CPI. The key elements of the valuation outcome are:

- Employer contribution rates set at 28.68% of pensionable pay (including a 0.08% administration levy). This is an increase of 5% in employer contributions and the cost control result is such that no change in member benefits is needed.
- Total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £262,000 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £222,200 million, giving a notional past service deficit of £39,800 million.

### 18 Pension and similar obligations

(Continued)

The result of this valuation will be implemented from 1 April 2024. The next valuation result is due to be implemented from 1 April 2028.

The employer's pension costs paid to the TPS in the period amounted to £109,862 (2023: £92,861).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust is unable to identify its share of the underlying assets and liabilities of the plan. Accordingly, the Academy Trust has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

#### Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are per cent for employers and per cent for employees. The estimated value of employer contributions for the forthcoming year is £45,000.

The actuarial valuation for the year to 31 August 2024 showed a defined benefit plan asset of £151,000, this asset arose as a result of a significant increase in the net discount rate at the balance sheet date. In accordance with paragraph 28.22 of FRS102, this asset has not been recognised in the financial statements as the academy is considered unlikely to recover the surplus through reduced contributions or through refunds from the plan. The asset has therefore been reduced to nil at the balance sheet date.

Any deficit is to be spread over future years with additional contributions from the Academy being made through the employer contributions. Thus any deficit is not believed to have a significant impact on the resources available for general application.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.
